16 April 1957

Dear Dick:

FOIAb3a

Reference is made to letter dated 6 April 1957 from [redacted] Subject: Contract EC-200, Schedule III.

This letter will serve as formal confirmation of my verbal authorization to proceed with the furnishing of the additional aluminum flanges for Film Spools 73-B, support flanges and the initial quantity of spare shutter blade assemblies for Shutter Model HS-732. The quantities to be furnished and allocation for Customer A, B, or M and O are to be as stipulated in the document dated 6 April 1957 and attached to the above subject letter.

Additional funds are not being allocated at this time for this work. The estimated cost for Customer A and B in the respective amounts of \$22,277.12 and \$4,498.80 should be charge against funds presently available under Schedule III of Contract No. EC-200.

Very truly yours,
